#### Four Stars - Joelle Thomson

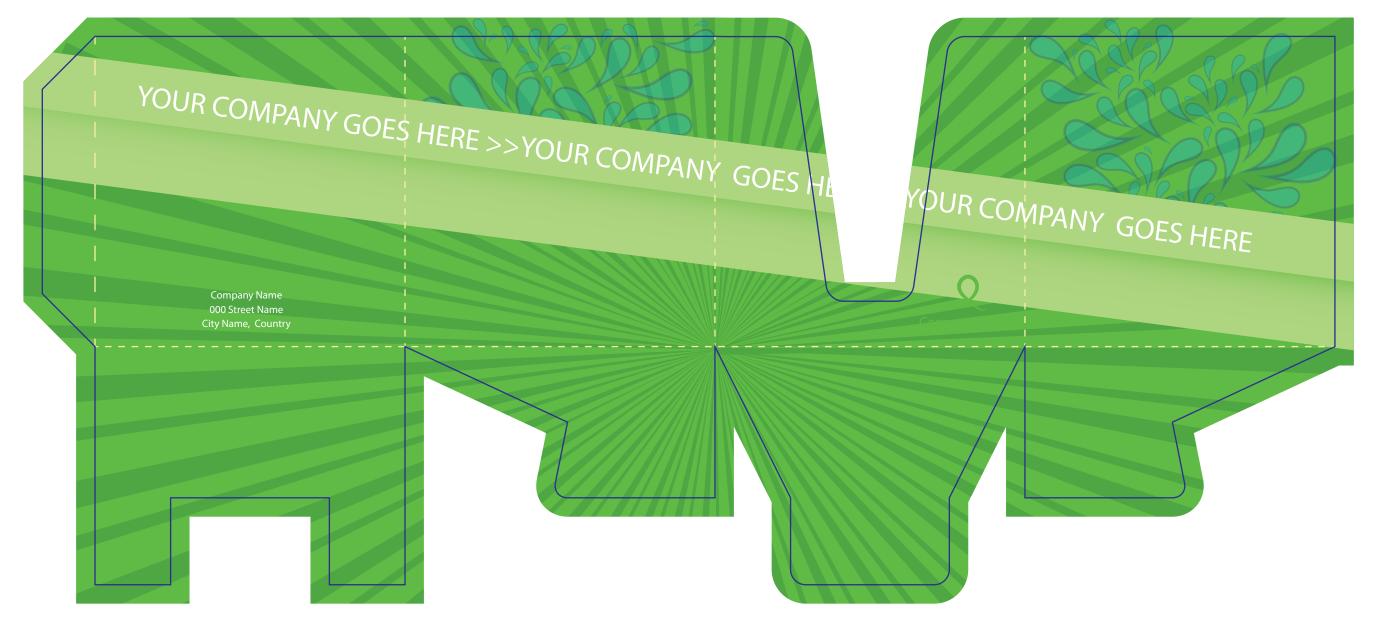

In et sapien orci. Nulla tempus Shiraz lovers rejoice! The third Evenwood and it keeps getting better. We wanted a wine of exceptional quality and value and the challenge was a biggie. Top notch bargain Barossa Shiraz is proving a little harder to find than previous years but as always we never, for one instant, stopped looking and our efforts paid big dividends. This is an awesome Barossa Shiraz which we believe surpasses the quality and value of the Earthworks wine.

The vines are over 25 years old, mature and generous with their quality. The resulting wine has a deep purple hue that fits with a quality, well made wine. Aromas of ripe black currant and soft liquorice escape in multitudes. The silky soft flavoursome palate has an abundance of ripe, deep, dark red berry fruits with a clean, elegant well balanced finish of white pepper.

# Four Stars

"Drink this big, soft fruit bomb now to enjoy it's juicy, sherbet-like fruit flavours. This is great value at such a low price. It is good everyday drinking, especially with meaty food as we head into winter." Joelle Thomson
